

Information provided to us via cookies

Our web site uses cookies which you can disable using your browser options. Cookies are small data text files that are sent from a server computer during a browsing session. Cookies are typically stored on your computer's hard drive and are used by web sites to simulate a continuous connection to that site. In order to make our site more responsive to your needs we use cookies to track and manage information relative to your specific interests. In this way we can tailor our site to your needs, deliver a better and more personalised service and track the pages on our site that you visit. The use of cookies automatically identifies your browser to our computers whenever you interact with our site. You should note that if you do disable cookies, you may not be able to access all the services on this site.
